Are you a minority student considering a career in science or technology? The Research Program for Minority Students (RPMS) may be for you!

- Receive scholarship support
- Special training in research
- Work with research mentors at UAM
- Inside track to research internships
- Attend scientific meetings and present your research results
- Develop your resume
- Get into graduate school, medical school, or pharmacy program
- Enjoy the camaraderie of fellow STEM students

What are the requirements?

- Have a High School GPA or 3.0 or higher
- Have a composite ACT score of 21 or above
- Declare a STEM major at UAM
- Have a high interest in a STEM career
- Be highly motivated to participate in STEM research

How to Apply?

Contact Dr. Marvin Fawley, UAM-RPMS Director, at fawleym@uamont.edu or 870-460-1165. Completed application should be received by March, 2014 for Fall semester participation.

Please note that these are competitive scholarships. Not all applicants may be accepted for participation. Need more information? Visit our website: http://www.uamont.edu/facultyweb/fawleym/RPMS/
