UAM OPERATING PROCEDURE 275.1
RE: Title IX Compliance

June 25, 2014

The University of Arkansas at Monticello seeks to provide a safe and positive working and learning environment free from all forms of discrimination.

Title IX of the Education Amendments of 1972 (“Title IX”), prohibits discrimination on the basis of sex in education programs and activities. Discrimination based upon sex can include sexual harassment or sexual violence, such as dating violence, domestic violence, sexual assault, or stalking. Title IX also prohibits gender-based harassment, which may include certain acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.

Policies and Procedures:

University policies and procedures assure compliance with the requirements of Title IX and state law regarding discrimination on the basis of sex, including sexual harassment and sexual violence. The institution shall:

**Title IX Coordinator.** Appoint a Title IX Coordinator and notify students and employees of the name, title, and contact information of the Title IX Coordinator and Deputy Title IX Coordinators. Both UAM-CTC and UAM-CTM will designate a deputy Title IX coordinator.

**Notices.** Publish a notice of nondiscrimination on the basis of sex, including, but not limited to, on the campus website and in the student handbook or similar publication or other appropriate means of dissemination. The notice must state that inquiries concerning the application of Title IX may be referred to the campus Title IX Coordinator or the Office for Civil Rights, U.S. Department of Education. The notice shall also include the contact information for the campus Title IX Coordinator and Deputy Title IX Coordinators. Additionally, other information may be included in the notice that may be helpful to an individual such as available campus support services.

**Campus Policies.** Publish and disseminate its policies prohibiting discrimination on the basis of sex and the procedures for reporting incidents of sex discrimination, including sexual harassment and sexual violence, such as dating violence, domestic violence, sexual assault, or stalking. The procedures provide for a prompt and equitable resolution of sex discrimination complaints. Policies include a description of the conduct that constitutes sexual harassment, including sexual violence, consistent with applicable federal and state laws and regulations.

**Training.** Provide all employees training on sexual harassment and the
campus policies and procedures for reporting sexual harassment. Employees likely to witness or receive reports of sexual harassment and sexual violence will receive enhanced training which, at a minimum, includes the requirements of Title IX, the proper method for reporting sexual harassment and sexual violence and the University’s responsibilities for responding to reports of sexual harassment and sexual violence. Campus employees who will likely require enhanced training include: Title IX coordinator and deputy coordinators, campus law enforcement personnel, student conduct board members, student affairs personnel, academic advisors, peer educators and counselors providing victim advocacy services through campus-sponsored programs, and athletic department personnel (including, administrators and all coaches).

Assurances.

1. Each complaint of sexual harassment or sexual violence filed with the Title IX Coordinator or Deputy Title IX Coordinator will be promptly investigated to determine what occurred. The parties have the right to a prompt, fair and impartial investigation of complaints by trained officials.

2. For student disciplinary procedures, both parties have the right to an equal opportunity to present witnesses and other evidence in any hearing, and the right to the same appeal processes.

3. The parties will be notified of the general timeframe within which the campus will conduct a full investigation of the complaint.

4. Opportunity for the complainant to be advised of the options available for pursuit of complaints, and, with respect to alleged, sexual violence, resources for assistance.

5. All parties will be provided with a status update of any investigation within a reasonable period of time.

6. For student disciplinary procedures, a preponderance of the evidence standard will be used to decide complaints (i.e., it is more likely than not that sexual harassment or violence occurred).

7. Complainants and respondents will be notified, in writing, of the outcome of the complaint, including whether the campus determined that sexual harassment or violence occurred.

   a. With respect to student disciplinary procedures, notification will be simultaneous, and shall also address the right to file an appeal, if applicable. In accordance with federal and
state privacy laws, the notification shall also address the sanction imposed against a student.

8. Mediation may not be used to resolve complaints of sexual violence.

9. Prohibition of retaliation against any person reporting or participating in an investigation of sexual harassment and sexual violence under the campus policies and procedures.

**Reporting Sexual Violence:**

**Employee Reports.**

Any University employee informed of an allegation of sexual violence involving a student must promptly notify the Title IX Coordinator or Deputy Coordinator, provided that limited, specific positions may be determined to be exempt from this requirement, in consultation with legal counsel, consistent with governing law.

**Initiation of Action.**

Upon receipt of a report the Title IX Coordinator or Deputy Coordinator will promptly investigate to determine what occurred and then take appropriate steps to resolve the situation. The Title IX Coordinator will initiate actions to ensure that the educational environment is free of discrimination, including, but not limited to, taking measures to stop any harassment and to prevent any reoccurring harassment. Additionally, as appropriate, steps will be taken to remedy the effects of any harassment found to have been experienced by the complainant to the extent such actions are appropriate and desired by the complainant. This may include commencement of the disciplinary process against an accused student or employee.

**Reports to Law Enforcement.**

1. Reports of crimes may be filed with law enforcement with or without the assistance of the University. The University will assist any student wishing to file a report to law enforcement. The Title IX Coordinator or Deputy Coordinator will report complaints of sexual violence to law enforcement agencies when requested to do so by complainant.

2. The Title IX Coordinator or Deputy Coordinator, in consultation with appropriate campus officials, shall analyze each report of sexual violence to determine if a health or safety emergency as defined by state and federal law warrants disclosure of information relating to the complaint. In such case, information relating to the complaint will be disclosed to the appropriate persons including law enforcement personnel.

3. Timely warnings or emergency notifications issued under the Clery Act related to sexual violence shall also be sent to local law enforcement agencies.
Confidentiality of the Complainant:

Confidentiality will be respected to the extent possible. Even if the complainant requests confidentiality or asks that the complaint not be pursued, the campus shall:

1. take all reasonable steps to investigate and respond to the complaint to the extent possible consistent with the complainant’s wishes;

2. notify the complainant that the failure to pursue a complaint may limit the campus’ ability to fully address the matter; and

3. report the incident or assault to local law enforcement authorities if a health or safety emergency as defined by state or federal law is found by the campus to require such reporting, including, but not limited to, circumstances under which authorities determine reporting is necessary to protect the health or safety of other persons.
