INTRODUCTION

Welcome to the State of Arkansas/University of Arkansas at Monticello Procurement Card (P-Card) Program. As an agency of the State of Arkansas, the University of Arkansas at Monticello is participating in this program that is designed to help better manage low-dollar supply purchases and bring many benefits to you, the University, and our vendors. The P-Card will facilitate the acquisition of lower dollar goods and services needed for conducting official University business. It is intended that the P-Card be issued to select University full-time employees to enhance the University and departmental effectiveness or economy of operations. Liability for payment, total responsibility and accountability for the P-Card transactions resides at the department level. Personal purchases are strictly forbidden and may result in disciplinary action.

It is accepted that no policy and procedure statement can cover all eventualities. Exceptional cases will be resolved as circumstances and prudent business practices warrant on a case-by-case basis. University departments, as a condition of participation in the P-Card program, shall abide by the terms of the procedures.

The success of the Procurement Card Program and its continuing use depends on your participation and cooperation. Please be sure to read and follow the program guidelines as specified within this document.
GENERAL

WHAT IS THE PROCUREMENT CARD?

The Procurement Card is a Visa credit card issued by U.S Bank. It is a fast, flexible new purchasing tool which offers an alternative to the existing purchasing processes and provides an extremely efficient and effective method for purchasing and paying for supplies with a maximum monthly limit that will be determined on an individual basis. **The P-Card is to be used only for official business purchases for the University of Arkansas at Monticello.**

The issuance of a P-Card to an employee represents the trust bestowed upon that employee by the University to protect its assets and integrity. Under the department head’s oversight, review and approval, he/she provides the key point of control to maintain appropriate spending activities to protect departmental funds.

The Procurement Card will enable employees to purchase non-restricted commodities, by telephone or in person, directly from the vendors. It may eventually eliminate the need for issuing low dollar purchase orders and many blanket purchase orders.

The Procurement Card will be issued in the employee’s name with the wording “University of Arkansas at Monticello” and “For Official Use Only” clearly indicated on the card.

The basic P-Card transaction consists of the following steps:

- Cardholder enters a business and makes a selection of the item(s) needed, charges it on the P-Card, signs a sales/charge slip and takes receipt of the merchandise.
- Merchant submits the transaction to Visa and in-turn they submit it to US Bank for payment (merchant normally will receive their payment within three working days of the original transaction).
- US Bank will bill UAM on the 20th of each month for all charges made by the various UAM departments for the proceeding 30 days.
- UAM reconciles the receipts/charge slips from the P-Card Transaction Log and makes a single payment to US Bank, on behalf of all the UAM departments. The Accounts Payable debits/credits each appropriate departmental account after the reconciliation is made.
THE PROCUREMENT CARD PROGRAM BRINGS BENEFITS

Cardholders - You may be able to obtain various supplies and services directly from our vendors without using a purchase order. This streamlines the purchasing process and can help improve turnaround time on receipt of your order. It significantly reduces processing costs related to the purchase and payment of supplies.

The University of Arkansas at Monticello - The Procurement Card program provides a cost-efficient, alternative method for purchasing low-dollar supplies and services. Built-in card features make the program easy to control and manage and help reduce processing costs at all levels by reducing the number of requisitions, purchase orders, invoices and checks. The Procurement Card enables departments to focus on higher yield value added activities.

Vendors - Vendors who accept Visa will welcome the Procurement Card. When they accept the card for business purchases, vendors need not send invoices to the University of Arkansas at Monticello, and they will receive payment directly from U.S. Bank within 72 hours.

END OF FISCAL YEAR PROCEDURE

Goods and services shall be expended in the year they are received. When the P-Card is used, the supplier may hold the P-Card transaction posting for several days and it could take 2-3 days for the actual posting to the US Bank billing which is the 20th of each month. Either of these events could create an accounting problem at the end of the fiscal year (June 30th). To ensure that P-Card expenditures are properly recorded
in the year goods and services are received, the Cardholder shall inform the supplier, for any June transactions, that the transaction should be posted the same day as the actual transaction took place. To ensure proper recording of expenditures, the P-Card cannot be used for purchases during the dates of June 10th – June 30th of each year.

MAKING A PURCHASE

When making a P-Card transaction the Cardholder shall check as many sources as reasonable to assure the best price, quality, service and delivery is in the best interest of the University. There are many methods of procuring with the P-Card.

**Purchasing In Person** – The Cardholder takes the P-Card to the supplier and verifies the supplier accepts the Visa card. The Cardholder selects the order, carefully ensuring that the selection is not listed as an exception to the allowable items/services that can be procured with the P-Card and that the total cost does not exceed the control limits set for the Cardholder’s P-Card. The Cardholder takes the order to the supplier’s cash register and presents the P-Card for payment. The supplier either swipes the P-Card through a card reader or calls for an authorization. The supplier then asks the Cardholder to sign for the charges. The supplier issues the Cardholder a copy of the slip, cash register tape or paid invoice. **The Cardholder shall retain all P-Card transaction documentation and provide it to the Department Liaison for logging on the P-Card Transaction Log.**

**Phone Orders** – The Cardholder may telephone an order to a supplier. The supplier shall request the Cardholder’s P-Card number and expiration date. For security reasons, ensure others do not overhear or view this information. The Cardholder advises the supplier that the University is not tax exempt and shall pay all applicable sales tax. The Cardholder shall ensure the supplier includes a P-Card authorization slip, cash register tape or paid invoice with the delivery of the order. All orders shall be made delivery to the University department’s official shipping address thru central receiving. **The Cardholder shall ensure all transaction documentation is provided to the Department Liaison for logging to the P-Card Transaction Log.**

**Internet Orders** – The Cardholder may use electronic mail to submit an order to a supplier. The Cardholder shall ensure the supplier includes a P-Card authorization slip, cash register tape, paid invoice and/or delivery slip with the order. If the supplier intends to mail the P-Card transaction documentation as a separate item, the Cardholder shall ensure the documentation is mailed to the University department’s official address. **The Cardholder shall ensure all transaction documentation is provided to the Department Liaison for logging to the P-Card Transaction Log.** Internet orders may be subject to Use Tax.
