University of Arkansas at Monticello’s Kids’ University is a summer enrichment program for capable and motivated students who will enter 1st through 6th grades in the fall of 2017. Our focus is to cultivate new interests, expand knowledge, and spark imagination and creativity while providing a non-graded environment for personal growth and development. We are committed to enhancing the love and adventure of learning while developing well rounded children who will seek college educations in their futures.

Eligibility
Any child entering 1st – 6th grades in the fall of 2017 is eligible to enroll. Kids’ University students are expected to possess a level of maturity required of this type of program. Students who display inappropriate classroom behavior may be removed from the program without a refund. Please notify us of any special needs your child may have so that we can accommodate them.

Registration and Tuition
A registration form must be completed and returned to UAM’s Department of Community Education for each child by 11:30 am on Friday, June 23rd. The tuition fee of $75 includes a t-shirt and all supplies, unless specifically stated in the course description. Space in the program will be filled on a first come, first served basis with a paid and completed registration form. Since space is limited, early registration is encouraged.

Refund Policy
Requests for refunds must be received in writing by 5:00 pm on Friday, June 30, 2017. Requests may be mailed to P.O. Box 3520, Monticello, AR 71656 or emailed to newtonr@uamont.edu.

Kids’ University Scholarships
A limited number of need based scholarships are available. To apply, parents must complete a scholarship application. Income documentation must accompany the child’s Kids’ University registration and scholarship application forms. The scholarship application is located in this brochure and is also available online at www.uamont.edu. Click on the Resources tab and then Community Education.
ARTISTIC EXPLORATION

_Instructor: Maggie Barnett_

Come explore the amazing world of art with us! We will have four, fun-filled days that will show you just how amazing art can be! Together we will learn to paint (with no paint!), make silly self-portraits, and even see some explosive art!

Available for grades 4-6.

FARM TO TABLE

_Instructor: Chis Chambers_

"Lettuce" get your kids in the M00D to learn! This class will teach them all about agriculture and how it involves kids. From sheering sheep to planting vegetables, the kids will have a blast with all of the hands on opportunities.

Available for grades 1-3 and 4-6.

WACKY SPORTS

_Instructor: Channe Witt_

Learn ball skills through fun and encouraging activities in Wacky Sports. You will learn skills in soccer, basketball, volleyball and baseball/softball.

Available for grades 1-3 and 4-6.

OODLE BOODLES OF FUN

_Instructor: Channe Witt_

Can you use a pool noodle without a pool? Yes, you can! We will play games, have relays, and improve our balance and agility using noodles. Bring a change of clothes on Thursday for water play.

Available for grades 1-3 and 4-6.

IMAGINATION STATION

_Instructor: Maggie Barnett_

Come explore your imagination with us! We will have four, fun-filled days that inspire some amazing creativity! Together, we will create silly creatures, see some explosive art and much more!

Available for grades 1-3.

CHESS BASICS

_Instructor: Channe Witt_

This class teaches the "how to" of Chess. You will learn tactics and game strategies. Come find out what Chess is all about. You're guaranteed to have fun and learn a game that keeps players learning.

Available for grades 1-3 and 4-6.
**CLASS DESCRIPTIONS**

**SING, ACT, DANCE!**
*Instructor: Tiffany Tucker*
Is your child a shining star? Do they always seem to be singing or dancing through the house? Do they have talent and are a bit shy? This is the class for them! Students will act out a musical theatre selection for their parents. This will allow for every student in the class to showcase their unique talents and skills.
Available for grades 1-3 and 4-6.

**BOOKS COMING ALIVE THROUGH YOU!**
*Instructor: Tiffany Tucker*
Discover how you can make a story jump off the pages of a book. Do you know that just by using your face and body you can become your favorite characters? Join us for a class where you will get to move, sing and make silly voices. Activities will require kids to move, so dress accordingly. Expect to have fun and be silly. This is the perfect class for your budding star, a struggling reader, or someone who needs a push to be more confident.
Available for grades 1-3 and 4-6.

**SUPER SILLY SCIENCE**
*Instructor: Shelly Mullins*
Come explore the world of science with hands on experiments! Build a boat, learn about weather, discover cheeseball science, and back by popular demand – GLOW DAY!
Available for grades 1-3 and 4-6.
