

NURSING ASSISTANT
Certificate of Proficiency

Program Description

The Nursing Assistant (NA) program focuses on providing knowledge and skills specific to nursing assistant duties. Students will be provided classroom, applied lab, and clinical training in long-term health care facilities. Students who successfully complete the NA program are eligible to take the skills and written examination that leads to Arkansas State Certification. Those students who successfully become certified are placed on the State Registry as a Certified Nurse Assistant (CNA).

The Nursing Assistant Certificate of Proficiency can be obtained in one (1) semester. The program costs are approximately \$895 for tuition and fees and approximately \$105 for books and supplies.
