Your federal financial aid application has been selected for review in a process called “Verification.” This process requires that we verify the information you reported on your FAFSA regarding your high school completion status.

Please provide one of the following documents that indicates the student’s high school completion status when the student will begin/began college in 2015-16:

- A copy of the student’s high school diploma.
- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student’s General Educational Development (GED) certificate, an official GED transcript that indicates the student passed the exam, or a state-authorized high school equivalent certificate.
- For students who completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- If state law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If state law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.

If the student is unable to obtain the documentation listed above, he or she must contact the Financial Aid Office.

The Financial Aid Office reserves the right to request additional documents if needed to confirm the data submitted on your FAFSA. PLEASE MAKE SURE THE STUDENT’S NAME AND UAM STUDENT ID NUMBER ARE ON ALL DOCUMENTS
